Public Library Report

To the Library Committee:

It is with pleasure that the librarian submits the following report.

Although circulation increased only 665 during the past year the number of new registrations as stated below was very pleasing.

Reference work, an exceedingly important part of library service, has increased considerably and the staff is always glad to assist as much as time permits in this respect.

Eight groups of pupils from the Elementary School and the Exeter Day School accompanied by their teachers, visited the library and received basic instruction in the service offered.

During Children's Book Week Mrs. Summerfield and the librarian were invited to attend a program presented by Mrs. Roy's class at the Elementary School. It was clearly evident that the children had profited by their reading.

As a contribution for National Art Week the Exeter Day School provided an excellent exhibition concerning which there were many favorable comments.

Mr. William Dudley has continued to render valuable assistance in offering splendid displays of an historical nature in the Exeter Historical Society Show Case. The number of people showing an interest in these exhibits is very gratifyng.

Fifteen story hours for the younger children were made possible by readers supplied through the cooperation of the Junior Women's Club. This continued support is greatly appreciated.

With the departure of Reverend Paul T. Martin to accept a position in Manhassett, Long Island the Library Committee loses a faithful member. The best wishes of the staff go with him for success in his new field of endeavor.

The fine cooperation of the staff and the library committee makes the service of the librarian most enjoyable.

Respectfully submitted,

HARRIETTE M. PIRNIE,
Librarian.
